Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

1. Your amended report discloses an increase in receipts totaling \$30,486.40 and an increase in disbursements totaling \$30,486.40 from the amounts disclosed on your original report. Please amend your report or provide clarifying information as to why this activity was not disclosed on your original report. (11 CFR § 104.3)

- Schedule B of your report discloses expenditures for "Ariel Advertising" and "Media Production Costs." For your information and consideration when preparing future filings, if a portion or all of these expenditures were for public communications (as defined by 11 CFR §100.26) containing express advocacy as defined under 11 CFR §100.22, this would constitute an independent expenditure and would be disclosed on a Schedule E supporting Line 24. Public communications that refer to a clearly identified Federal candidate, but that do not expressly advocate the election or defeat of that candidate would be reported on Schedule B for Line 21(b) of the Detailed Summary Page.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee
